Dear Joint Transportation Committee,

I urge you to vote YES on HB2314 for safe lane sharing in Oregon. I am a 24 year resident of Portland Oregon and a lifelong motorcyclist. I commute to work on my motorcycle year round and ride for pleasure on the weekends. I am a responsible rider and take the safety of all motorists very seriously. I am also an instructor with MotoCorsa and teach motorcyclist how to improve their skills, build confidence and ride more safely. Something that I am proud to contribute.

Additionally I have experienced legal lane sharing first hand as a former California resident and occasional visitor. Having had that experience I can assure you than it is far safer for both automobiles and motorcyclists alike.

Traffic congestion continues to get worse in Oregon. By voting YES on HB2314, you will also will help to alleviate congestion on our roads by encourage even more riders to commute more safely.

Please vote YES on HB2314!

Regards,  
Jon Munns
