---

**Measure Description:**

Extends sunset on State Department of Agriculture authority to annually impose limited fee increases for certain licenses related to food production.

**Government Unit(s) Affected:**

Oregon Department of Agriculture (ODA)

**Analysis:**

This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Agriculture to the Joint Committee on Ways and Means.

This legislation corresponds to *Policy Option Package (POP) 230 - Food Safety Fee Increase* within the Department of Agriculture (ODA) budget (HB 5006). The bill would extend the sunset, from July 1, 2018 to July 1, 2025, of fees that support the Food Safety Program. The associated fees would also be approved retroactively for a fee increase operative June 30, 2019.

A more complete fiscal analysis on the measure will be prepared as the measure is considered in the Joint Committee on Ways and Means.
