Re: Oregon Association of Naturopathic Physicians Pay Parity Bill

Dear Senate and Health Care Committees,

I would like to share my experience working with an ND to show the importance of this profession in the delivery of quality healthcare in the state of Oregon.

I currently employ a Naturopathic Physician in my cosmetic dermatology practice and have had many positive experiences working with her. I feel she has competence and is very professional in caring for patients. She brings a very useful skill set to my practice and her knowledge base is beneficial to my patient population.

I am asking that you vote yes on the Naturopathic Physician Pay Parity bill.

Sincerely,
