Subject: Lane sharing
Date: Wednesday, February 20, 2019 2:06:38 PM

Please vote YES on HB2314

I've been a motor cyclist for 20 years and believe this current proposal is the safest way to reduce commute times. I commute to work between Portland and Wilsonville and have experienced 20-30 minutes increases in the last 3 years, and it is getting worse. this proposal allows me the choice to lane share if i think its safe and also encourages me to use my motorcycle more.

Thanks for your time

Regards
