

TAX TAX TAX TAX

I am really getting sick of all these tax burdens.  
What are you going to do with all the money that is collected from this tax??

Probably just going to create another bureaucracy with high paying St. gov jobs, great retirement benefits and little else.  
When is it ever going to stop?

PLEASE explain to me how this will stop global warming?????

As an honest landlord, I see you are going to impose rent control on us.  
So with the increase in taxes we will probably have to raise the rent to counter raising expenses. how is that helping?

How about reducing taxes on the overburdened. "Myself".

How about everyone that belongs to the Dem party pay for this  
as the dem party is the one always raising taxes.

I say take your tax increases and put them where the sun doesn't shine.
