Subject: House Bill 2795 re Hunting Cougars with Dogs
Date: Thursday, February 21, 2019 2:58:54 PM

Hello,

As an Oregon constituent and voter, I urge you to vote no on House Bill 2795. Do not allow hunting of cougars with dogs. I am against hunting cougars at all. I actually live on wilderness land and I have a cougar who hunts deer on my property. I protect that animal at all cost. Cougars are quickly becoming an endangered species and should not be hunted in any area at any time. Human encroachment is the problem.

Thank you.
