

You people in Salem haven't got a clue in the world. Oregon is already the leader in Green Space, Recycling and pay the highest in fuel taxes and you idiots are trying your dambest to turn Oregon into califrickenforia. NO THANKS. Get your asses to work on getting the ILLEGAL BORDER JUMPERS out of this State or we will VOTE all you SOB's OUT.

Dear Joint Committee on Carbon Reduction, I strongly oppose HB 2020. Sincerely,

RICHARD TODD richardtodd364@aol.com
