

RE: Oregon House Bill 3063

Representatives: Greenlick, Senator Thomsen, Representative Helt, Mitchell, Schouten, Wilde
Representative Doherty, Prusak, Williams, Senator Wagner

My Name is Jennifer Holmes, resident of Umatilla County

I oppose, deny, vote NO on Bill 3063

Summary: Please don't take my right to choose what's best for my body and my child's body. The constitution is supposed to protect us from becoming property of the state. This is an extreme over reach by the state. I dream of a world where my children still have freedom. Please, Please, vote No

Thank you for your time.
