

SUBCOMMITTEE RECOMMENDATION

**HB 2975
2017-19 Program Change**

HB 2975 as amended makes the necessary changes in statute and session law to support a re-balance of the 2017-19 legislatively approved budget and to update the application of statute for the budget. This non-appropriation bill is necessary for the 2017-19 biennium. Specifically, the measure:

- Removes Emergency Board and Interim Joint Committee on Ways and Means requirements to recommend to the Legislative Assembly that it appropriate sufficient funds for agencies to pay rent and to recommend a schedule of rentals for the State Capitol and the Supreme Court Building. Such activities have been part of the existing budget practice for these agencies.
- Repeals various one-time transfers of Other Funds account balances to the General Fund for general governmental purposes in the 2017-19 biennium.

The bill has an emergency clause and is effective on passage and has no fiscal impact.

The Capital Construction Subcommittee recommends HB 2975 be amended by the –1 amendment and be reported out do pass, as amended.
