Dear Oregon Honored Legislators:

I am writing to stress the importance of **keeping exemptions available for parents in regard to vaccines.**

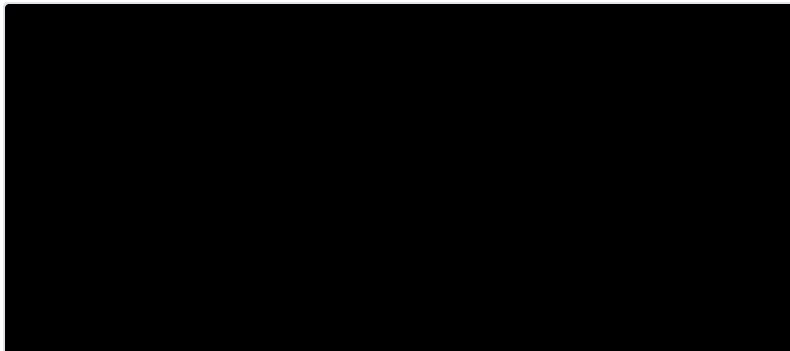

**Some children have serious and deathly reactions to vaccines, & parents MUST be the ones to make this assessment. Medical Exemptions are extremely difficult to get, and cannot be relied upon.**

The science is NOT settled on the safety of vaccinations. I beg of you to do your research on this subject and do not cause any more harm to children than is already being inflicted. There is SUBSTANTIAL evidence that vaccines can and DO cause AUTISM.

PLEASE be part of the solution of our children becoming healthy once again as a whole, you have a moment here to help decrease HARM being imposed upon so many children via vaccines.

Here is a wonderful movie that will help you understand the risks:
