

Hello,

I am an Oregon resident, and I ask that you please support SB 723-2 to ban coyote killing contests in our state!

Killing for fun: I can't imagine any ethical, compassionate or thinking person finding legitimacy in a "killing contest". Just typing the words seem uncomfortable and extremely concerning.

A killing contest of ANYTHING is something we all should scrutinize with the most discerning criticisms as a society.

Please support SB 732-2...stop the killing contests.

Yes SB 723-2!

Respectfully,
