RE: Testimony in opposition to SB 365

I am a resident of Clackamas County, Oregon and am writing to you to convey my adamant opposition to SB 365 and all attached amendments, which if passed, would prohibit counties from collecting System Development Charges for marijuana farms. This is clearly a financial burden on all Oregonians and a push by the marijuana industry for their own benefit. I hope you give this matter fair and just consideration on behalf of all Oregonians.

Thank you.
