Regarding: Senate Concurrent Resolution 24

Please accept my appreciation and support for Senate Concurrent Resolution 24: In memoriam: Lewis Linn McArthur, 1917-2018.

Serving on the Oregon Geographic Names Board with Lew McArthur and other like-minded people was a gift of a lifetime. Always thoughtful, he was a wonderful teacher and historian! He made a significant difference in my leadership at the Sherman County Historical Society's Museum in Moro 1983-2012. It is apparent in the museum's historical maps, geography, places and people in publications and exhibits. Lew inspired me to develop a list of Sherman County Place Names now in its 3rd edition that includes names of streets and roads, thus preserving a bit of local history.

Thank you for sponsoring this Resolution.
