Regarding: Senate Concurrent Resolution 23

Please accept my appreciation and support for Senate Concurrent Resolution 24: In memoriam: Thomas Herbert McAllister Jr., 1926-2018

Serving on the Oregon Geographic Names Board with Tom McAllister, Lew McArthur and other like-minded people was a life-changing experience, one that made a significant difference in my leadership at the Sherman County Historical Society's Museum in Moro 1983-2012. It is apparent in the museum's historical maps, geography, places, programs and people in publications and exhibits. Tom's leadership for the Board's summer field trips was generous, fun, educational and inspirational.

Thank you for sponsoring this Resolution.
