To: Oregon State Legislature, Senate Committee on Health Care Re: Support for HB 3063
Honorable Chair and Committee Members,

Hello, my name is Bryan Langley. I am not in favor of HB 3063 which would take away my right to have free choice in vaccinations. This is not an emergency and should not be approved. I as a parent know what is best for my children and the State should not be in the business of raising children, this is my job and one that I take very seriously. I should be allowed to make the determination of when and/or if my child should receive vaccinations, which ones and to what level.

I thank you for taking the time to read and consider my comments.

Sincerely,

Bryan Langley
