

To the Legislature:

I'm writing to voice my opposition to HB 3063.

Please vote NO on HB 3063 which would remove all nonmedical vaccine exemptions in Oregon! This bill is discriminatory and short-sighted. We cannot coerce medical treatment. This is not about being pro- or anti-vaccine. It's about basic freedoms and American Values.

According to the Centers for Disease Control, [this year's measles outbreak nationwide so far is only 159 cases but 2011 saw 220 cases, 2014 had 667 and last year there were 372 reported cases.](#) There is no emergency.

According to the [Oregon Health Authority 95.3% of students in K-12 in Oregon have received 2 doses of MMR Vaccine.](#)

Again, please vote NO on HB 3063. This bill is discriminatory and short-sighted. We cannot coerce medical treatment. This is not about being pro- or anti-vaccine. It's about basic freedoms and American Values.

Respectfully,
Carolyn Savage
