**Subject:** HB 3063 testimony - opposed  
**Date:** Friday, March 1, 2019 2:46:26 PM

---

I am writing to oppose HB3063 and to request that you do the same. My nephew is vaccine injured, he has been diagnosed with Epileptic Encephalopathy, is non verbal and requires 24 hour care. Despite this his sisters's children do not qualify for medical exemptions.

Sincerely,  
Mary Peeples
