Dear Legislators,

I am writing to ask you to oppose HB 3060. I am a teacher and mother in Ashland OR. I believe that we all have the right to choose what medical practices we want to follow in our families. Also, this bill would discriminate against those who choose not to vaccinate, and every child has a right to free education. Please do not support this bill.

Thank you.

Warmly,  
Nancy Escherich
