Subject: House Bill 3063

Dear Chairman Salinas and Members of the House Committee on Health Care,

I am opposed to House Bill 3063. I am attaching a letter that I hope you will all take the time to read it. I have a grandson who was injured by a vaccine. Believe me not until this happened to him and I witnessed the damage that vaccines caused him I never had thought about vaccines. Now some twelve years later we are dealing with a very sick child. The attached letter explains all of the details. Thank you and I do appreciate your thoughtful consideration of what I have addressed regarding vaccines in my letter.

Sincerely,

Nora Brock
