

I reserve the right to choose what goes inside the bodies of my children.

HB-3063 violates the Nuremberg Code of 1947 that states that human subjects must give voluntary consent to procedures. I DO NOT AND WILL NOT GIVE CONSENT!

I oppose HB-3063. Please protect my right to choose and say NO to HB-3063.

Sincerely,  
Shaunna Johnson  
Tillamook, OR 97141
