

Chair Salinas and Members of the Health Care Committee,

My name is Sonnet Okorn. I am 8 years old. I live in McMinnville, Oregon with my mom and brother and sisters. I oppose HB3063.

Can you guess what I call people who take away my homework?

Answer: Bullies

I will be really sad if I'm not allowed to go to my online charter school anymore. I will be really sad if my homework is taken away. I have some really cool schoolwork on my computer and I don't want it taken away or I will feel sad. I have been learning how to do computer coding and I will be sad if all my hard work is taken away. Please let me stay in school.

I really don't like vaccines. My mom has done a lot of research on vaccines and she has talked with my doctor about vaccines. My mom learned from science that vaccines are not always safe. My mom wants to keep me safe. My mom doesn't want my body to be injected with vaccines. I don't want my body to be injected with vaccines, either. My mom has taught me that I am in charge of my own body and I say no to vaccines. No means no.

Please vote NO on HB3063.

Thank you for your time,

Sonnet Okorn
