

My daughter, Taylor Marie Freitag, passes 12/29/2017. She was only 18 years old. She was in a hotel room with so called friends were she overdosed and her so called friends watched her die. The woman who sold them the drugs was sentenced on January 9th and was giving 1 year but she will be released right around what would have been my daughter's 20th bday. The dealer that sold the lady the drugs to sale to these kids was also sentenced but only got 36 months! My beautiful daughter is gone and they will be out soon. Please tell me what I can do to help pass this law! These killers need to be stopped
