

RE: Taylor's Law—HB2797

March 6, 2019

To Whom it may concern,

I am writing this letter in full support of "Taylor's Law" HB 2797. We need to do all that we can to get drug dealers that are a threat to human lives off the street. We are in a crisis of drug addiction. Anything we can do to put a stop to this crisis is necessary. I am in full support of the HB and would like to see it passed through to law.

Sincerely,  
Jenna Dixon
