

My name is Wendy Davenport and I am a current resident of Portland, Oregon. I strongly oppose bill HB3063. As I was unable to attend the public hearing yesterday due to short notice and weather conditions, I am writing this email to ensure my voice is heard. This Bill oversteps our government's boundaries. Medical decisions should be between a physician and their patient in the best interest of each individual as well as the general population. Please consider my strong opposition.
