

EVERYONE SHOULD HAVE A CHOICE. You guys just passed what people can abort up until before birth but trying to take away the right for people to choose what is injected in their kids' bodies. Please do research and get your hands out of peoples pockets.

THE INJURY RATE IS REPORTED AT 1% and being 30,000 people! Hello, that means there are millions are people who are injured.

NOOOOO TO THIS BILL.

You will not force anyone to vaccinate.
