My name is Jessica Rushing. My address is 4758 Liberty Rd S #214 Salem, OR 97306. My family and I have a floating home in Sellwood-Moreland. I am in opposition of the above referenced house bills. There are other bills that haven't even had a chance to take affect. We should see how these help things once implemented. It is not fair to add more regulations when the marine board has already worked so hard to keep things fair for all people. We need more time to implement other solutions. This affects a number peoples right to have public access to the river and enjoy water sports in the very short amount of summer that we get. Thank you for your time and consideration regarding this matter.

All my best,

Jessica Rushing
