Marie Hoskins  
12435 SE 18th ave  
Milwaukie Or 97222

I live in the greenway and do not want more regulation.

I have not seen an erosion on my property except during spring run off. None in the summer during boating activities.

I do not want a set up for it to restrict future boat rights for all citizens.

It is a waste of taxpayers financial resources.

Sincerely,  
Marie Hoskins
