

I am SICK and TIRED of losing friends to opioids and I think there are plenty of people that should be held accountable for this epidemic so I support reform that will help this process. It makes sense, it's murder when your product kills someone, and I absolutely want to get to the source of this issue even if it's putting away a lowly dealer.

Don't think I don't understand that people deal drugs out of desperation and poverty, and jail perpetuates that, but these dealers are the face of this problem and it needs to be nipped at the bud IMMEDIATELY. Trump says he'll deal with the opioid problem, he obviously won't which means WE HAVE TO TAKE CARE OF IT ON A LOCAL LEVEL. PLEASE STOP IGNORING THE REAL NATIONAL EMERGENCY WHICH IS OPIOD ADDICTION. THIS IS FOR TAYLOR AND THIS IS FOR EVERYONE I HAVE LOST GOD DAMNIT IM SICK OF LOSING PEOPLE.
