

I would urge a No vote for Bill 3036. The Executive Director of the Association of American Physicians and Surgeons would agree with me. I will let Dr. Orient speak for me;

[Measles outbreak and federal vaccine mandates - AAPS | Association of American Physicians and Surgeons](#)

**Measles outbreak and federal vaccine mandates -
AAPS | Association of Am...**

To: Oversight and Investigations Subcommittee, House Energy
and Commerce Committee Senate Committee on Health, ...

Sincerely,
Jenelle Candia
