Subject: House Bill 2020
Date: Thursday, March 7, 2019 8:50:12 PM

The House Bill 2020 will invest much needed dollars in rural communities such as ours

Please keep the bill as is with no breaks for climate polluters.

Do not roll back existing climate legislation.

If this bill passes, economic benefits are increased income for low income people.

thanks,

Dennis M. Fisher
