Re: "Yes" on SB 320 Permanent DST
Date: March 12, 2019

Dear Chair Riley and Members of the Committee,

I am a constituent of Rep. Nearman and Sen. Boquist.

I am hoping so much that you will **pass SB 320** which abolishes annual one-hour change in time from standard time to daylight saving time and maintains Oregon on daylight saving time (DST). I understand that it will go to the voters.

I would absolutely love more sun in the evenings, especially for outdoor activities. For example, we have horses, and we can continue to do things with them later into the day with DST. And when we go out to clean their stalls at night, it will be light later into the year!! Heaven!

Thank you for hearing this bill and I hope it "has legs"!! It is a great bi-partisan issue.

I will write a separate letter in favor of SJM 6 which urges Congress to give us permission to have year-round DST.

Thank you for your concern.
