Re: SCRs 23 & 24

Dear Senator Johnson:

I know I speak for all board members and advisors when I state that the Oregon Geographic Names Board unconditionally supports SCR 23 and 24 regarding recognition of Lewis McArthur and Tom McAllister. These two fine gentlemen were associated with the OGNB for more than a half-century and as one of many members who have served on the board for decades I must confess the primary reason for me has been because of their unselfish willingness to illuminate and educate all on the finer points of what makes Oregon a great state. They were outstanding Oregonians and through their mentoring has made serving on the OGNB a truly memorable experience.
