Re: Support of HB 2706: Dental Coverage for COFA

March 12, 2019

Dear Members of the House Committee on Health Care,

The Oregon Dental Association (ODA), representing over 2,200 dentists across the state, fully supports HB 2706. HB 2706 would provide dental coverage to low income citizens of Pacific Islands in Compact of Free Association who reside in Oregon.

We believe that every Oregonian deserves access to quality affordable oral health care. Extending dental coverage to this population is fair, equitable, and necessary. We look forward to working with legislators and partners to find funding for this population to ensure dental coverage.

ODA encourages your support of House Bill 2706.

Sincerely,
