

Susan Weinstein <weinstein@web-o.net>

To Whom It May Concern: As a 74 year old grandmother of three, I urge you to vote for the enactment of HB 2656, the Safe Waters Act. My grandchildren, and yours, need and deserve to drink safe, clean, and healthy water. All sentient beings need and deserve clean and safe water. Please vote for this Act. It is so vital. Thank you. Susan Weinstein, 1236 NE Market Drive, Fairview, OR.
