ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

Under current law, one of the requirements to qualify as a small high school is that a school be in a school district that has a weighted average daily membership (ADMw) of less than 8,500. This bill increases the ADMw upper bound to 10,500. The other requirement for the school to be less than certain average daily membership (ADM) remains the same.
