RE: HJR 13

Chair Holvey and Members of the House Rules Committee-

My name is Lisa Sobomehin. I am submitting this testimony in support of HJR 13.

It is critical that state and local municipalities be able to control the limits of campaign financing in their jurisdictions. I am grateful that Oregon is once more tackling this and taking the necessary action to join other states in asserting this control by proposing to amend our state Constitution.

I urge all members of this committee to support this critical piece of legislation and allow it to come to a vote in the House.

Sincerely,

Lisa Sobomehin
