RE: HB 2716

Chair Holvey and Members of the House Rules Committee-

My name is Hans Huffman. I am submitting this testimony in support of HB 2716.

Our entire political and campaign process works best for all constituents when the process is as transparent as possible. HB 2716 helps increase this transparency and oversight and ensures voters will have necessary information to decide who will best represent their interests.

I urge all members of the committee to support this critical piece of legislation.

Sincerely,

Hans Huffman
