RE: HJR 13

Chair Holvey and Members of the House Rules Committee-

My name is Hans Huffman. I am submitting this testimony in support of HJR 13.

Allowing unlimited amounts of money to flow into our political system has proven to be dangerous to our democracy. It creates an environment where those who have a lot to donate (wealthy citizens, corporations, special interest groups, etc.) have far more influence over legislators than the average citizen. The officials we choose to represent us need to be responsive to the will of all of their constituents equally. HJR13 is a critical step toward creating a true democracy in the great state of Oregon.

I urge all members of the committee to support this critical piece of legislation.

Sincerely,

Hans Huffman
