ATTN: Chair Holvey and Rules Committee Members
FROM: Mindy Lowden, Wolf PAC Oregon Legislative Director
RE: Written testimony in support of HB 2983

The stricter disclosure rules laid out in HB 2983 are a critical part of a set of campaign finance reforms needed in our state and across the country. I urge you to move HB 2983 forward as, here in Oregon, we must do what we can to bring transparency to the funding of our elections.

Sincerely,

Mindy Lowden
Wolf PAC Oregon Legislative Director
