I have an Oregon fishing license and many Oregon business depends on healthy rivers. I'm an avid Fisherman, bird-watcher, Kayaker, and I thrive on experiencing the nature that surrounds us in these riparian areas, which is in large part dependent on healthy stream flows and stream management. Everyone wants to live on water, as do all creatures rely on it. This is why it's so important to protect.

Please fund EDFW's Water Program in Full. Thanks!
