

Hello,

My name is Anastacia Reutov, I am from Woodburn, OR. I am a member of the Russian Old believer Orthodox Church. I strongly oppose bill HB3063. The bill is in direct violation of my First Amendment Right, restricting me to freely practice my religious believes. The bill also robes me of my liberty right as US citizen and as a parent. This bill puts oppressive restrictions on my way of life and behavior, and my right and ability to make health decisions when comes to my own children. This bill will discriminate against my children by segregating them in to a group, and denying them the right to education.

I oppose bill HB3063, I hope you do not discriminate against my First Amendment Right. Please protect my rights to freely practice my religious beliefs, and vote no one HB3063.

Thank you for reading,
