

All,

I am writing in opposition to bill HB-3063 amendment submitted on behalf of Senator Helt.

It does not allowed adequate time for children to get up to date and as I read unfairly punishes kids who're not vaccinated from being part of society with kids their own age.

For lack of better terms it's heinous and cruel.

I would grudgingly support Goldens which address the current issue.

Thank you,

Ryan

Thanks you for your time.

Sincerely,
