

Rep. Helt, Rep. Salinas and Rep. Greenlick (and Quinn, Mark, Molly and Hannah):

I wanted to pass along an amazing link to over 100 videos OHSU has compiled in support of HB 3063.

UPDATED March 12: A new video shared yesterday through many social media channels features a number of OHSUians sharing their support for House Bill 3063. Nearly 100 people have shared the video, and you're encouraged to do the same:
