RE: SB 638 Support

Dear Chairman and Members of the Committee:

As President of Northwest Animal Companions, a non-profit rescue established in 2004, we **STRONGLY** encourage you to support SB 638. We work very hard to ensure that Oregon animals have loving, safe homes and would certainly join other rescue organizations in placing dogs/cats covered under this Senate Bill. Each and every one of them deserves a home.

Thank you.
