

Good morning,

I am writing in SUPPORT of HB 2804.

If passed, the bill would prohibit a retail pet store from selling dogs, cats, or rabbits unless they come from qualified shelters and rescues. I support this bill because it will give homeless animals more opportunity to find a home and help reduce the market for mass-breeding operations (aka puppy and kitten "mills").

Please join me in supporting this important bill.

Respectfully,

Philip Mandel
Beaverton OR

(Constituent of Rep. Schouten and Sen. Hass)
