Dear Chair Dembrow,

My family and I ask that you vote NO on SB 103 and SB 104. As business owners in Oregon we feel it is a very bad idea for the State to decide how large a farming business can be. The state should enforce existing laws or develop new laws to deal with any real problems that may occur. It should not be up to the State to decide how many cows a family can own. This is a very dangerous path for the State to start down. Again please vote no on these two bills.

Thank you,  
Neil Westfall and Family

Sincerely,

Neil Westfall
