Subject: Expression of Support for: SB 927 and SB 929

Note: Please use discretion with your personal information in written testimony (i.e., do not add personal information you do not want the public to see). All meeting materials, including your name and any personal information contained in the submitted documents, are posted to the Oregon Legislative Information System (OLIS) and are accessible to all major search engines, including Google, Bing, and Yahoo.

Honorable Representatives and Staff,

Please register my support for these bills which offer a means to encourage historic preservation in our state. Oregon is the only state in the nation which currently burdens public interest denying us the benefits of preservation of our past and historic resources through a requirement for Owner Consent for historic designation.

I also support the aligned effort to enhance public support of historic preservation through owner tax incentives, like rebates.

Thank you,
Story Swett
