Re: IDSP POLICY POSITION for HB 3205

ISSUER:

W. Kirt Toombs, MMDS, Chief Executive Officer, Eastern Oregon Center for Independent Living's (EOCIL) – Institute for Disability Studies and Policy (IDSP)

ISSUER BACKGROUND:

Eastern Oregon Center for Independent Living (EOCIL) is a global cross-disability resource and advocacy center that promotes independent living and equal access for all persons with disabilities. EOCIL has two primary functions:

1. To operate the Institute for Disability Studies and Policy (IDSP). Through the IDSP's core research and policy officers, the IDSP provides original and scholarly actionable research for disability

systems change to enhance independent living, equitable access to services and resources, and universal human rights;

2. To provide peer-based services to people with disabilities living in eastern Oregon. Based in Ontario, Oregon, with additional offices in Pendleton and The Dalles, EOCIL serves consumers in 13 central and eastern Oregon counties: Baker, Gilliam, Grant, Harney, Hood River, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa, Wasco and Wheeler.

The IDSP is the location for disability research, education, and advocacy. The Institute provides actionable research that is disseminated to centers for independent living, other disabled persons' organizations (DPOs), and non-governmental organizations (NGOs).

The IDSP is an integral part of EOCIL and operates as the center's research and policy analysis entity. The IDSP intends to provide recommendations on behalf of Oregonians with disabilities.

IDSP POLICY POSITION FOR HB 3205:

HB 3205 expands Telecommunication Devices Access Program to include provision of communication facilitators.

EOCIL's IDSP finds HB 3205 would benefit persons with disabilities.
