Subject: SJR 23, Kicker Tax Refund

Hello committee members

Please keep your hands out of our pockets any more than already on the books. We give so much to Salem coffers in the form of taxes. If you need more money for your projects, please cut spending somewhere else. If i want to go buy something new personally, I must find the money in my paycheck. I can't go to my boss and get a raise for it. As our economy grows, so does your tax revenue. Give the people what they need and only what the need.

thx
