Chair Golden and members of the committee,

My name is Sal Peralta. I am testifying today on behalf of the Independent Party of Oregon in favor SJR 18-4.

This is the first version of any constitutional amendment being considered in the 2019 legislative session that protects the will of voters in Portland and Multnomah County and that creates a comprehensive constitutional framework to regulate campaign contributions in Oregon.

We support this committee passing this bill with the -4 amendment ahead of the upcoming deadlines for policy bills.

Respectfully,

Sal Peralta
